## SUMMARY

Motivated Front-End Developer with a strong foundation in HTML, CSS, JavaScript, and React.js. Skilled in building responsive, user-friendly web interfaces with a focus on clean design and functionality. Transitioned into tech after completing a Bachelor's in Physics (Gauhati University) and developed multiple real-world projects, including a fully functional educational website — MindGradeAssam.com. Passionate about creating meaningful digital experiences and continuously upgrading my skills to stay at the forefront of front-end development.

## SKILLS

- Languages & Frameworks: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap
- Tools & Platforms: Git, GitHub, VS Code, Netlify, Vercel, Chrome DevTools
- Concepts: Responsive Design, DOM Manipulation, API Integration, State Management, Routing, Component Lifecycle
- Soft Skills: Problem-solving, Communication, Time Management, Team Collaboration

## PROJECTS

1. MindGradeAssam.com — Educational Platform for SEBA Assam Students  
<https://mindgradeassam.com>

- Designed and developed a responsive website providing free study materials, PDFs, MCQs, and past year solutions.
- Used HTML, CSS, JavaScript to build interactive sections and improve user navigation.
- Managed content updates and optimized performance for faster load times.

2. Personal Portfolio Website — Showcasing Front-End Projects

- Built a fully responsive portfolio using HTML, CSS, and JavaScript.
- Hosted on Netlify and integrated with GitHub projects.
- Includes contact form, resume download, and project demo links.

3. React To-Do List App

- Dynamic single-page application using React.
- Features include task creation, deletion, filter by status, and localStorage persistence.

#### 4. 4. Quiz App with Real-Time Feedback (React + CSS)

- Built an interactive MCQ-based quiz with instant result display and feedback.
- Uses component-based architecture and state management via useState.

## EDUCATION

Bachelor of Science (Physics Honours)

Gauhati University, India – 2021

## CERTIFICATIONS

- Full Stack Web Development Course- MERN Stack ( Coding Shuttle )
- Responsive Web Design – freeCodeCamp
- React.js Crash Course – freeCodeCamp

## ADDITIONAL INFORMATION

- Available for Half-time or full-time opportunities and remote front-end roles.
- Actively contributing to open-source and continuously learning new tech stacks.
